

# CASTORIA

for Infants and Children.

## The Effects of Opiates.

THAT INFANTS are peculiarly susceptible to opium and its various preparations, all of which are narcotic, is well known. Even in the smallest doses, if continued, these opiates cause changes in the functions and growth of the cells, which are likely to become permanent, causing imbecility, mental perversion, a craving for alcohol or narcotics in later life. Nervous diseases, such as intractable nervous dyspepsia and lack of staying powers, are a result of dosing with opiates or narcotics to keep children quiet in their infancy. The rule among physicians is that children should never receive opiates in the smallest doses for more than a day at a time, and only then if unavoidable.

The administration of Anodynes, Drops, Cordials, Soothing Syrups and other narcotics to children by any but a physician cannot be too strongly decried, and the drugist should not be a party to it. Children who are ill need the attention of a physician, and it is nothing less than a crime to dose them willfully with narcotics. Castoria contains no narcotics if it bears the signature of Chas. H. Fletcher.

The signature of *Chas. H. Fletcher* guarantees genuine Castoria. Physicians Recommend Castoria.

"Your preparation known as Castoria I have used for years in children's complaints and I have found nothing better." John J. Larra, M. D., Cleveland, Ohio.

"For several years I recommended your 'Castoria' and shall always continue to do so, as it has invariably produced beneficial results." Edwin F. Fanner, M. D., New York City.

"Your Castoria is a meritorious household remedy. It is purely vegetable and acts as a mild cathartic. Above all, it does no harm, which is more than can be said of the great majority of children's remedies." Victor H. Coffman, M. D., Omaha, Neb.

"I have prescribed your Castoria in many cases and have always found it an efficient and speedy remedy." A. P. Fellen, M. D., St. Louis, Mo.

"I have used your Castoria in my own household with good results, and have advised several patients to use it for its mild, laxative effect and freedom from harm." Edward Farnish, M. D., Brooklyn, N. Y.

"Your Castoria holds the esteem of the medical profession in a manner held by no other proprietary preparation. It is a pure and reliable medicine for infants and children. In fact it is the universal household remedy for infantile ailments." J. A. Parker, M. D., Kansas City, Mo.

Children Cry for Fletcher's Castoria.

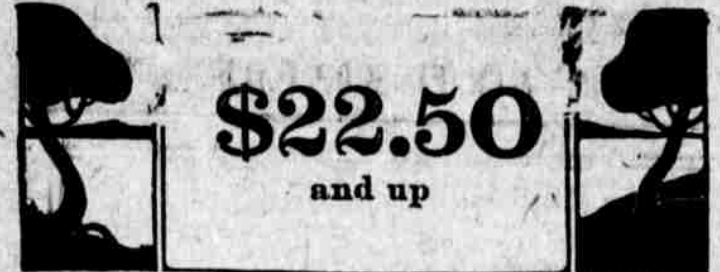

In Use For Over 30 Years.

## RUSSIANS ARE BECOMING CITIZENS

Subjects of The White Father Will Be Americans

Recent Russian immigrants have lost all other nationalities in taking out their first papers for American citizenship since Hawaii came under the Stars and Stripes, nine applications having been made this month, which is nearly one a day so far.

It has been the rule in the past that immigrants have lived in the territory several years before making their first declarations as to American citizenship. It remained for these Russians to go to the Federal Court soon after setting foot on American shores to apply for protection from another country than the one in which they were born and lived for many years.

The majority of the men who have declared for Uncle Sam in preference to the Little White Father, to whom to look for protection are men between the ages of twenty-five and thirty-five.

That these aliens still make good citizens seems assured from the fact that none of them are of the more ignorant class. But one of the many who have applied to Clerk Murphy is a laborer, the others embracing several of the skilled occupations.

There are carpenters, boiler-makers, one farmer, blacksmiths, locksmiths, miners and several other trades represented among the newcomers.

Two applied at the court yesterday to make declarations and both were skilled workmen. The group they have taken tend to show conclusively that when they left Manchuria it was for all time and to seek other homes.

### SUNDAY SERVICES

## MILLIONAIRE MURAL WATCHES MINES

Well Known Local People Returned On Tenyo Maru

"I am going around the world to inspect the coal mines with a view to engaging in that kind of business more extensively after I get back to Japan."

K. Mural, the "Tobacco King of Japan," made the above statement today when interviewed by the Bulletin representative on board the Tenyo Maru, which docked at the Alakea wharf. He was quite willing to tell the press that his intention is first to visit in London, where a large number of the Japanese financiers are taking in the exhibition being held there.

Mr. Mural who is accompanied by Mrs. Mural and Miss Mural, is not a stranger in the United States, having been there three times when actively engaged in the tobacco business. Besides his family, he is accompanied by Masao Kurachi, director of K. Mural's general office.

Mr. Masao is one of the rising men in Japan. He was educated in the Keio University and is familiar with the business condition in the United States.

Mr. Mural stated further today that he would visit in all the important countries in Europe before returning to Japan in January, next year. He and his party will not take the Siberian railway route when returning to Japan, but would pass through India and other countries.

Another Japanese passenger of note is T. Kume, a wealthy gentleman. He made his fortune as contractor and is still engaged in that line of business. He is one of the most successful in Japan. He it is who is supplying the Imperial government with the materials for the War Department. This, of course, includes all kinds of materials which are necessary for the upkeep of the department. He is going to London to see the exhibition.

U. Kobayashi, vice-president of the Tokio Merchants' Association, an elderly man, is also a passenger on the Tenyo Maru. He was met at the wharf by his friends.

Among the Hawaii-Japanese who returned from their trip to Japan is Y. Akai, who becomes manager of the Yokohama Specie Bank after the departure of Mr. M. Tokieda on the 18th for New York. He is accompanied by his family to renew their acquaintances with the old kamaeas here. Mr. Akai has gained in health since he left here following a long illness.

S. Kojima, president of the Japanese liquor dealers, accompanied by his family, also returned from a pleasure trip in Japan. H. Tsurushima president of the Japanese Daily Chronicle, who has been visiting in Japan for many months is another local Japanese who arrived in the Tenyo Maru. His family also arrived.

Mrs. T. Onodera, the bride of Editor Onodera of this city has arrived to meet her husband. Although they are married according to the Japanese customs, it is believed that another ceremony will be performed according to the laws of Hawaii.

Mrs. K. Kogure, who is traveling with the Mural party as interpreter, is the sister of editor Onodera of the Daily Chronicle. The re-union of the brother and sister who have not seen each other for many years was an occasion for rejoicing.

During the stay of Mr. Mural in this city, he will be entertained by Consul General Uyeno and Mr. Onodera, who have made arrangements to take the tobacco king to see all points of interest, including Nuuanu Pali.

### SOCIAL NOTES

A very pleasant and successful bridge party was held at the residence of the acting manager of Honokaa last Thursday. At the close of the games a lavish supper awaited the guests, after which Mrs. Devereux favored the company with a few well-rendered selections upon the piano. Herr Bucholtz also gave his well-known serpentine dance in his usual true continental manner, which won for him great applause. Of those present might be mentioned Mr. and Mrs. Harold Barclay, Dr. and Mrs. Buffett, George Bucholtz, Mr. and Mrs. W. Devereux, Mr. M. J. Fassoth and Mr. and Mrs. Jaouen. Miss Violet Pursey proved herself a charming hostess and was congratulated upon the success of the evening.

Captain Healey of the transport Sheridan was the incentive for much entertainment during his two day's stay in Honolulu. Lieutenant and Mrs. Baird, U. S. A. entertained Thursday evening at dinner at the McAna. In his honor, he was the complimented guest Friday night at a large dinner party at the Young.

## The World's Best Medicine!

## Duffy's Pure Malt Whiskey

Is absolutely pure distillation of malted grain. Its palatability and its freedom from injurious substances render it so that it can be obtained by the most sensitive stomach. It has been the standard of purity and excellence for fifty years.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system; is a promoter of health and longevity; makes the old feel young and keeps the young strong.

It is a wonderful remedy in the treatment and cure of consumption, pneumonia, grippe, bronchitis, coughs, colds, malaria, low fevers, stomach troubles and all wasting, weakened diseased conditions. If taken in time, if you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey, regularly, according to directions. It tones and strengthens the heart action and purifies the entire system. It is recognized as a family medicine everywhere.

CAUTION—When you ask for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only—never in bulk. Look for the trademark, the "Old Chemist" on the label, and make sure the seal over the cork is unbroken. Duffy Malt Whiskey Co., Rochester, N. Y., U. S. A.
